

A Public Hearing held to present Local Law # 1 Establishing a Solid Waste Management Facility One Year Moratorium, held at the Town Hall, 7578 County Route 333 on the 4th day of February, 2026 at 6:45 p.m.

Present: Town Supervisor: Michael Volino
Town Council: Holly Chase, Noel Sylvester
Absent: Council Members Daniel Gee, Jennifer Hargrave

Visitors: Lisa Hargrave, Timothy Hargrave, Eva Turner

The meeting was called to order at 6:45 p.m. following the Pledge of Allegiance to the Flag.

Michael Volino explained the purpose of the Local Law and said it is a renewal of the same Local Law passed in 2025. The Town has been working with Earth Justice and they said it is important we continue to renew this Local Law each year. He said the Town of Cameron is working on a similar Local Law.

The visitors present said thanks to Michael and the Board for staying on top of this issue.

It was noted that Casella has a ten-year lease with the Dixons and is in year 4. There does not appear to be any activity currently.

Motion was made by Noel Sylvester and seconded by Holly Chase that the public hearing be closed. All those present, aye. Unanimously passed.

Minutes Respectfully submitted by Sue Conklin, Town Clerk
